To the Parents / Guardians

Hekinan Board of Education

Regarding the request for cooperation to prevent the spreading of the new coronavirus infections (Request)

We wish you the good health during this early spring. We very much appreciate your special considerations toward the education in Hekinan. We understand that the temporary closure of the school may have caused some burden towards the Parents / Guardians. As all the areas continue to take proper measure towards the new coronavirus, it is important that we take even more precautionary measures to prevent the spread of the virus. We would like to continue cooperating with everyone for the prevention of spreading of this infectious virus.

Below is the details of our request.

Note

【Request details】

「Regarding the contacts when a person has been infected, or has a suspicion of catching the new coronavirus」

From now on, if your child applies to any of the 2 situations below, please contact the school.

- | |
|--|
| <p>① The child, or a family member living in the same house has been tested positive from the coronavirus.</p> <p>② The child, or a family member living in the same house has been in a close contact with people infected with the coronavirus, even if it is only one member.</p> |
|--|

- The person to contact regarding this matter will be the Vice-Principal.
- Under the strict information management, any information attained from the contact will only be used for the prevention of virus infection.

We apologize for any inconvenience we may cause, but we appreciate your cooperation.
