Notice of cancellation of events related to junior high schools in the city  
in school year of 2020 (2<sup>nd</sup> year of Reiwa)

We would like to express our sincere gratitude for your continued support of Hekinan City's education. The declaration of emergency for the new coronavirus Infection prevention measures was lifted, and the social situation gradually has calmed down. The schools have reopened, and we are conducting educational activities while trying to prevent the spread of infectious diseases according to the "new norm (new lifestyle)."

However, due to the long-term temporary closure of school and the great impact of preventing the spread of infection, it is now necessary to review various events that were held every year.

Therefore, we regret to inform you that the following events related to elementary and junior high schools in the city will be canceled. We sincerely apologize for any inconvenience caused to everyone who is looking forward to the events. Thank you for your understanding.
