Hekinan City Shinkawa Junior High School

The postponement of the school trip

We would like to express our sincere gratitude for your continued support of Hekinan City's education.

We appreciate your attendance at the school trip briefing session a few days ago and your letter of consent.

We have promoted the plan, but Coronavirus Disease 2019 (COVID-19) has been spreading again. Considering the situation, we decided to postpone the school trip due to COVID-19 by the board of education and the meeting of the head of junior high schools.

We will make a decision about the date for the school trip according to the situation of the spread of COVID-19 in the future. We apologize for the correction and ask for your understanding.
